1. ABOUT RHHF

Royal Heritage Health foundation (RHHF) is a non-Governmental and not for profit Organization committed to creating a society where the poor and vulnerable have equal access to quality education, health, infrastructure and dignity of human person. RHHF is one of Nigeria Humanitarian Fund (NHF) Implementing Partners (IPs) in executing projects in Northeast Nigeria.

The enduring 14-year humanitarian response in Northeast Nigeria has inadvertently neglected the unique needs of women and children with disabilities. Recent data highlights a significant gap in understanding and addressing their challenges emphasizing the need for a focused multi-sectoral needs assessment. Funding constraints have further exacerbated the challenges faced by the disability sector, as it is in its inception stage. The absence of a centralized mechanism hinders the ability to advocate for, access, and allocate resources efficiently. As a result, the sector struggles to implement comprehensive programs that cater to the specific and unique requirements of individuals with disabilities. Establishing and strengthening a Disability Working Group is not only vital for improving coordination but also for addressing funding constraints. A dedicated working group will serve as a focal point for advocacy, sensitization/awareness, trainings, resource mobilization, and strategic planning. This underscores the urgency of implementing a targeted initiative to address the specific challenges faced by this vulnerable group especially Women and children with disabilities in the humanitarian response in Northeast Nigeria. Implementation of a multi-sectoral needs assessment, with a particular focus on women and children with disabilities, will provide an insights. Mentorship programs for OPDs in resource mobilization will empower these organizations.
